

Architectural Submittals

The Architectural Review Committee (ARC) would like to remind you that all improvements to the front or rear of the home must be approved by the ARC prior to installation. This includes screen doors, front doors, patio covers, pools, trees, etc. Please remember the ARC has 45 days to review your application. Once plans are approved the homeowner will have 60 days to submit a Notice of Completion. Failure to obtain approval or submit the Notice of Completion will result in a violation and a fine, as well as the possible removal of all unapproved modifications.

If modifications are made before approval is given there will be a Cease All Work Letter sent and a 5 day grace period to submit plans. Failure to do so will result in a Board Hearing and a possible fine. Please contact Management for the appropriate forms and additional information at 951-973-7522. You can download the ARC form from our web-site at: www.MountainViewHOA.org.

As always, if you have any questions please give Management, Deanna Gonzales or ARC Chair, Gil Meyer a call or e-mail. We appreciate your community spirit!

Thank you.
