“THE VIEW” April 2020

Hello Everyone:

This a very unusual time in our country and the world. We are living through a very trying event that our grandchildren’s children will be reading about in the years to come. It makes us uneasy and fearful but as seniors we’ve all lived through and overcome serious issues in our lives. We are seasoned and strong. The situation is probably going to get worse before it gets better but, we know that. The key to staying safe is to heed the guidelines of the healthcare officials and government agencies. Maintain social distancing, wash your hands, clean often touched surfaces and limit exposure in crowded places. Each of us must decide what we can do to protect ourselves and our community. Working together, we WILL come through this.

As everyone is aware, the Board recommended the shut-down of all community events, committee meetings, activities, etc. This decision was made to keep our community safe and was not made lightly. We will continue to monitor events and review those restrictions as needed. Absent our ability to work out, play pickleball, swim or socialize in our normal gatherings, perhaps go for a daily walk with your neighbor, just stay 6 ft apart. If you have a bicycle, get it out, dust it off and ride in our community. Weather permitting, sit out in your driveway and read a good book. Sunlight (if we ever get any) helps with the “blues”. Again, the key is using common sense and following the experts’ directions.

The March HOA Board meeting was cancelled but there will hopefully be one in April. However, the Board can and will call an emergency meeting if necessary. We will also be reviewing the community restrictions on a regular basis.

If you are a resident who is struggling to obtain food or need other assistance, talk with your neighbors or call one of the Board members. We are all trying to help one another.

Take care everyone and stay safe.

Pat Roy

Attention Residents: This Publication and all pictures can be viewed in full color on our community web site.

SOCIAL CLUB

Carolyn Daniels

Hello Neighbors,
Unfortunately, all Social Club activities have been cancelled. Our Board made the decision to close everything down for "the next 30 days". The decision was made on Friday, March 13th. They will be watching the news and legal reports regularly in case things change. If things change for the better the decision made will be revisited. I have faith in our Board that they are making the best decisions for our community, especially when our President has declared a National Emergency. Please give our Board your support as this was not an easy decision for them to make.

Some things will be cancelled, while others will just be postponed for a brighter time. We are still planning on having a 20-Year Celebration for the anniversary of our community. And, in all likelihood we will still have the Ladies' Cancer Luncheon, in conjunction with the Discovery Shop, at a later date as well.

Let's all hope this isolation and grocery shortages will end soon.

My phone number on the Committee roster was incorrect. My home phone is 951-924-2177, and my cell for calls and texting is 951-214-5618.

I'm not shaking hands because everyone is out of toilet paper!

A Note From Your Editor

Hello Neighbors,
As you are aware, there was not be a March HOA Meeting for The Mountain View Community. The HOA Board of Directors will meet on April 1, 2020 in an emergency session to discuss the community closing of our facilities. In this emergency session, the only topic on the agenda will be the status of the community as it relates to COVID-19

There will be more to follow after the meeting.

I would like to encourage each of you to continue to check on your friends and neighbors by phone and text during this time. Even though we are all observing the request from our Governor to self-isolate, we should still take the time to call our neighbors, especially those who are living alone. A friendly phone call or text to encourage them or just to say hello goes a long way.

Always remember, this too shall pass.

Letters to the Editor

Dear Editor,
I would like to say thank you to all of the residents in our Mountain View community who took time to support the Annual First Responder Appreciation Day. We took approximately 6 dozen cookies, 2 garbage bags of stuffed animals and two frozen macaroni and cheese casseroles to Station 58 on Valentine's Day. Curtis, the firefighter who answered to door, was very appreciative of your generosity.

Again, thanks to all of my Mountain View neighbors.

Jo Lippire

Dear Editor

I don't know who is responsible to take the used batteries to be disposed of properly, but I want to thank them.

I think it's a wonderful service and I certainly take advantage of it.

Jo Lippire

Dear Editor:

I walk the community twice daily and have noticed an uptick in dog waste on the sidewalks and in neighbor's yards. I'm not sure why this is. Just because we are in a national crisis does not negate our responsibility to pick up after our pets.

I for one don't like stepping in some other dog's poop.

If you have a dog and walk it, pick up any waste he or she deposits. There is simply no excuse for this.

Pat Roy

Hello fellow gardeners!

April is the month when flowering plants are at the peak of color. Prepare for a surge of growth. Fertilize and prune fast growers.

Plants that bloom in April include Geraniums (actually Pelargoniums), Roses, Azaleas, Achillea, Aster, Cosmos, Daisies of all kinds, Daylilies, Baby's Breath, Honeysuckle, Lantana, Lavender, etc.

Consider planting a summer garden with an emphasis on fragrance. Plants like Gardenia, Citrus, Jasmine, Angel Trumpet, Lemon Verbena, Wisteria, Brunfelsia ("Yesterday, Today, and Tomorrow"), Roses (not all are scented), Carnations, Lavender and most herbs will be fragrant throughout the warm season, especially in the evening.

An evocative and fragrant garden may be designed using only white flowers which lend a romantic, moonlight quality to a night garden.

(Continued)

Most white flowers release their best fragrance after sundown. Good candidates include: Gardenia, Flowering Tobacco, Moonflowers, white Angel Trumpet, Cestrum Nocturnum ("Night Blooming Jasmine") and Night Blooming Cereus, a tropical Cactus with a powerful fragrance.

If you are thinking of planting an herb garden, consider Lavender and scented Geraniums to add color and interest. These plants are both fragrant and edible requiring full sun, dry soil and no fertilizer. There are scented Geraniums which smell exactly like attar of roses and those that smell like peppermint, lemon, or chocolate. Also, consider Dianthus which has a spicy clove scented flower and mixes well with herbs.

April is your last chance to plant anything before summer heat makes it inadvisable. Anything planted this month has a chance to get its roots established before the demand for water makes it risky to add. This is the ideal time to plant subtropical plants like Bougainvillea or Hibiscus.

Happy Gardening!
